Patient's comments Friends and Family test June 2018

Completely satisfied with service.

Fix the appointments screen but great service.

Nothing to improve.

I am so happy. I called at 9.40am and still got an appt. I am coming here for 2 months now. Doctors are fantastic.

Get good doctors that don't fob you off. Worse case scenario, you end up in hospital which could have been avoided if the necessary medication was given. Good doctors like Dr Zahir.

Surgery has improved.

Great staff.

Helpful receptionists.

Good reception team.

Good.

Happy good services. I'm a happy person.

Best doctors in world.

Couldn't be happier. Big improvement. Glad not to have left.

Walk in clinic every day or open surgery.

Fantastic.

Nothing to improve. It's all great.

I wouldn't improve anything. I always find that the staff act quickly with me. As today 11.06.18 I went to the chemist for a blood pressure check, they suggested I try .. doctor staff got me in within 1 hour. I am so grateful. Thank you so much. Mary Scully.
